Personal Note from the Treasurer

There were many things both learned and accomplished in the Treasurer's office this past year. Most notably, we've worked to make processes more efficient and to make the Treasurer's office even more available/accessible to residents than before. We are entering into a scheduled external audit and are hopeful for the final report to be issued mid-late spring. It has been an honor and a privilege to serve as your Treasurer for the past two years and I look forward to the years to come.

In your service,

Heidi Congdon

BOARD OF SELECTMEN REPORT

The Clarendon Board of Selectmen is honored to have served the Town this past year, and respectfully submits the following report for review.

Relative to the budget, the Board is well aware of the continued strain on Clarendon's residents due to increasing costs. For this upcoming budget, we worked extremely hard to ensure to the extent possible, that any increase in the municipal portion of the tax rate would be minimal, while balancing that against the needs of the Town and its residents. As with last year, the budget discussions were challenging and difficult decisions were made. In order to support the critical functions that our citizens want and need, the budget has increased in order to fund necessary services that our citizens have made it clear they want.

We would like to thank all town officials and citizens that participated in the budget process and would like to remind all citizens that the Board both welcomes and encourages attendance at budget meetings and regular meetings. All meetings are posted and a schedule can be found on the Town's website clarendonvt.org as well as at the Town Hall and post office.

As indicated in last year's report, the Town has, for several years, contracted with the Rutland County Sheriff's Department for law enforcement. Based upon citizen feedback and input, we have a twenty hours per week deputy devoted to Clarendon. This law enforcement presence had yielded positive results in terms of both speed control and overall access to law enforcement.

As many of our citizens know, our Road Crew had been hard at work on fixing and maintaining our roads, as well as replacing culverts and upgrading roads where necessary to enhance safety while being ever-mindful of costs and the need to achieve maximum value to the Town in everything we do.

The Board will continue to work hard on behalf of the people of the Town as we continue to strive to be effective and sound fiduciaries of our citizens hard-earned money.

We would like to thank all citizens, officials, and volunteers for yet another wonderful year, and look forward to continuing to serve the Town and its residence in the coming year.

We are truly blessed to call Clarendon home.

Sincerely,
 The Clarendon Board of Selectmen

Clarendon Listers Report

The primary role of the Listers is to maintain a fair and equitable Grand List for the Town for purposes of taxation. Periodically a town-wide reappraisal will occur if analysis done in conjunction with the State indicates that assessed values are no longer reasonably in sync with market values. As a result of such analysis we began a two year reappraisal process July 1st 2017. In the spring of 2019 notices will go out to all property owners with the new valuations and explaining the process and timetable for addressing any questions or concerns that property owners may have.

Apart from those periodic town-wide reappraisals individual property owners have the right to grieve their valuations for the upcoming tax year by submitting a request to the Listers by the designated due date.

Property Tax bills reflect ownership and status as of April 1st. Updates to the Grand List include changes based on additions or new construction, demolitions or removals that the Town has been notified of, property transfers, and changes within the State's Current Use Program. Addresses of record are updated throughout the year. It is inherent upon property owners to notify the Town when mailing addresses change. Tax due dates are the same whether we have your current address or not.

Town residents should make their Homestead declarations by the April 15th due date in order to avoid late filing penalties.

Throughout the year the Listers provide copies of tax bills and property descriptions (Lister Cards) on request. To the extent we can we assist people with various requests concerning ownership of specific parcels or what the parcel consists of. The Listers do not do deed research or provide legal advice.

The Town Tax Maps are maintained by the Listers with a new set typically being generated every two years. The current set was updated as of April 1, 2017. In 2019 new maps will be generated under a Statewide program intended to standardize mapping throughout Vermont. New hard copy maps will be generated at the end of that process.

The New Vital Records Law (Act 46) and What It Means for You

The Vermont Legislature passed Act 46 in May 2017, which significantly changes the state laws that govern vital records –namely, birth and death certificates. The new law and rules will enhance the safety and security of birth and death certificates, provide better protection against misuse of these legal documents, and reduce the potential for identity theft. Additionally, the changes streamline the entire statewide system for creation, storage and tracking of birth and death certificates. Act 46 will impact anyone who seeks a copy of a Vermont birth or death certificate. **The changes go into effect on July 1, 2019.**

The most notable changes are:

- Only family members (as defined in Act 46), legal guardians, certain court-appointed parties or legal representatives of any of these parties can apply to obtain a certified copy of a birth or death certificate. In the case of a death certificate only, the funeral home or crematorium handling disposition may apply for a certified copy.
- An individual must complete an application and show valid identification when applying for a certified copy of a birth or death certificate.
- An individual who refuses to complete the application or cannot provide valid identification will be ineligible and referred to the Vital Records Office.
- Certified copies of birth and death certificates can be ordered from any town, not just where the birth or death occurred or where the person was a resident.
- Certified copies will be issued on anti-fraud paper.
- Access to noncertified copies (previously called “informational” copies) is not significantly changed by the new law or rules.
- Marriage, civil union, divorce or dissolution certificate copies and processes are not affected by the new law or rules.

ZONING ADMINISTRATOR (ZA) REPORT for F.Y. 2017 -2018

Permit activity was similar to the past year, with 24 permits approved.

IN SUMMARY the number of Permits approved in fiscal year 2017-18 were:

Accessory (detached) Structures (i.e. garages, sheds, fences, pools)	10
Residential Additions, Expansions & Changes of Use (new Decks, Porches , attached garages, etc.)	10
New or Replaced Single Family Residential Structures (including mobile homes)	3
New Commercial projects, Multi Family uses, Signs, Business changes of Use, Conditional Uses	1
Subdivisions, Simple Parceling. etc.	0
Barns, Agricultural Structures (to qualified farmers)	1
Withdrawn application	0
Denied applications	0
=====	=====
TOTAL; permit applications	25

No formal Zoning Violations were pursued this year. The Town prevailed in an early 2017 VT Environmental Court case in order to enforce the Town's Zoning regulations. The Board of Zoning Adjustment did not hold any public hearings to review a ZA appeal or conditional use application. F.Y.I:

The #1 reason Property Owners find themselves in a Zoning Violation is because their contractor says; “You don’t need a permit.” **It is always recommended you contact the ZA well in advance of any project** to learn what rules may apply. Even if a Town Permit is not required, it is a preferred practice to receive a (free) written opinion from the ZA, which will be retained in the Zoning file. Also, VT statute requires a 15 day warning period prior to any permit going into effect, so plan accordingly.

The Zoning Administrator position is a part time assignment. I am available to meet you by appointment. I am also generally available at (802) 770-0380 to discuss Zoning questions between 4:00 and 7:00 pm weekdays (leave a Message if necessary) and I usually check my Zoning email , Clarendon.Zoning@Comcast.Net on Wednesdays. For an Urgent matter, please contact the Town Clerk. I am here to help!

TOWN NOTICE

VERMONT STATE LAW PERTAINING TO PLOWING OF PRIVATE ROADS AND DRIVEWAYS

SNOWPLOWING ONTO ROADWAYS: Depositing snow by blowing or plowing onto traveled way, shoulder, or sidewalk of a class 1, 2 or 3 town highway violates the Vermont Statutes anointed Title 19. Section 1105 and Title 23, Section 1126a.

Depositing snow onto any highway results in increased maintenance cost and may result in a highway accident. When snow is blown or plowed across the highway, it may cause slippery conditions or snow berms that in turn could cause an accident. Private parties who violate this statute should be given a warning by letter from municipalities (for town-maintained roads). Further violations may result in the issuance of a traffic ticket which carries a \$50 waiver penalty or a civil action may be brought under Section 1105, which carries a fine not to exceed \$1,000 plus costs.

Bailey Memorial Library Annual Report 2018

Thanks to the generosity of the voters of the Clarendon community, the Bailey Memorial Library continues to grow. At the Bailey Memorial Library you will find fiction and nonfiction books and DVDs for adults and children, as well as audio books for adults and VHS movies for children. Many of the bestselling books from the New York Times Best Sellers list are available. We also have passes for Vermont state parks and several Vermont museums. Snowshoes are now available for library patrons to borrow. Inquire at the library for borrowing times and cost.

Barbara Smith is our Library Director, overseeing the day-to-day workings of the library and additional staff. She is assisted by Kristine Bushee and Mary Doyle on Thursday evenings and Saturdays. The Board is very grateful for the work they do to keep the library running smoothly.

The Library is open:

Monday	5:00-7:00
Tuesday and Wednesday	11:00-4:00
Thursday	11:00-7:00
Saturday	9:00-2:00

Library use continues to increase. In 2018, 2,527 items were checked out. Over 300 residents have received their library cards. All residents of Clarendon are entitled to a library card. Out of town borrowers can purchase a card for a nominal fee. To view and search the library's collection, visit the library's website at baileylibraryvt.wordpress.com and click the link for library catalogue. The user name is Bailey and no password is needed. From there, you can search for titles or authors of interest to you.

The library has two online computers and free wireless access for patrons and their use continues to increase. Comcast provides free Internet service to the library. The library computers were used 377 times in 2018. Uncounted are the many users who also come to the library to take advantage of our free wifi service. Printing of resources and email can be done at the library and copies of documents can be made for a small fee.

Two successful raffles were held this year, raising some extra money for the purchase of new books. The library also participated in the summer town-wide sale in July.

The Board of Trustees and the librarians would like to thank all of the people who make donations of books to the library. If these books meet our needs, they are added to the library collection. Others may be sold in the on-going book sale at the library.

The Library is looking for volunteers to serve on the Board of Trustees. This requires a small time commitment, mostly attending the Board meeting the second Thursday of each month and bringing new ideas. Please call the library if you are interested.

Respectfully,
Diane Chartrand

Clarendon Fire Association Annual Report

I would like to begin this report by thanking all the members of the Clarendon Fire Association for their dedicated service, and also the families of our members for their support and understanding for time spent away at training, fundraisers, and fire calls.

I'd also like to thank our voters for approving our budget and truck fund. Our new fire truck is ordered! We should see it early spring of 2020. The truck will have a 1250 gallon per minute pump and 1500 gallons of water on board. This is a long term investment as the life expectancy for a new truck is 25 to 30 years.

It was a busy year for the fire department, we responded to over 80 calls, from Structure fires, car accidentals, Carbon Monoxide alarms, fire alarms, Wires and trees down, CPR and lifts assist, Fuel spills, airport emergencies and everything in between. We also provided and received mutual aid from surrounding towns.

We taught fire prevention again this year at the Clarendon Elementary School. We also participated in this year's Halloween Trunk a Treat at the Clarendon Elementary School. The Clarendon Fire Department members participated in the Relay for Life Event at the Rutland fairgrounds in June. The Fire Department led a lap around the fair. The Firefighters also taught fire safety during this event.

The Clarendon Fire Association annual fundraiser is held during the Town Wide Garage Sale in late July. We have a food booth with the Best burgers, fries, hot dogs and more prepared and served to you by the firefighters and auxiliary members. We would very much appreciate your patronage.

Please check out our Facebook page and like us. Our page has updates about your fire department, road closure and safety tips.

Very special thanks go to the Clarendon Fire Auxiliary for their unselfish support in all the fire department's efforts.

If anyone is interested in becoming a firefighter or an auxiliary member please contact us.

Sincerely,

Matthew Jakubowski, Chief

Historical Society of Clarendon, Vermont

Our historical society is now two years old and we have come a long way. The collections featured on our website <http://clarendonvthistory.org/> are organized under the headings of Artifacts, Bridges, Buildings, Cemeteries, Churches, Documents, Events, Farms and Barns, Homes, Letters, Newsletters, Oral Histories, People, Places, and Schools and now total about 350 entries. A search feature makes it easy to seek out a particular item. Many more additions to our collections are in varying stages of development. We have as well been accumulating maps, books, periodicals and various documents and objects of historical interest to Clarendon.

We meet at the Town Hall every 3rd Wednesday of the month at 6PM and encourage anyone interested in Clarendon's history to come. Each meeting has an announced topic that we start off with. Several newsletters have been published. Our annual meeting in May included a presentation on the Crown Point Road that came through Clarendon before the first settlers arrived. In September we did a joint outing with the Crown Point Road Association exploring an ancient long abandoned roadway and also long abandoned bridge abutments on Otter Creek.

Community support is needed in the form of membership, donating or loaning old photos or materials of historical interest, giving or taking oral histories, photographing old homes and barns and helping with research or other projects that we have. Photos and documents loaned to us are promptly scanned and returned to the owners.

Copies of the 1976 Clarendon History book are available for sale through us.

Please join us in documenting and preserving our history.

Dear Gloria Menard & Select Board Members,

On behalf of NeighborWorks of Western Vermont, I am writing to ask that we be placed on your ballot with a request for \$500.00. Dear Chairperson:

ARC Rutland Area and its board appeal to the Board of Selectmen for support in our effort to be placed on the March 2019 ballot.

We promote ARC Rutland Area by programs that are derived from our name; Advocacy, Resources and Community opportunities for people with developmental disabilities and their families. ARC helps the local Self Advocates Becoming Empowered - Rutland group with their monthly meetings and reaching yearly goals, and the Rutland Family Support Network with their listserve, as well as attending State and local standing committees to keep people informed of issues that might affect the population we serve. We do Representative Payee work for about 51 people, for which we have a waiting list. We currently provide transportation for our members to some of our dances, the self advocacy monthly meetings, the AKtion Club meetings, any extra events we may sponsor and others have been able to use the transportation grant also. The AKtion Club of Rutland County completes its dreams of helping others; so often individuals with disabilities are seen as receivers of community effort, the AKtion club proves that they have an immense amount to give back! Of course our more known activities are the five dances we provide each year. There are one full-time and two part-time employees, two volunteer employees and a volunteer Board of Directors at ARC Rutland Area!

We are requesting \$1,500 this year. Thank you for your continuing support. If you or anyone has questions or comments, please call us at 775-1370.

Sincerely,

Heather Kent

Dear Ms. Menard,

The VNA & Hospice of the Southwest Region, formerly known as Rutland Area Visiting Nurse Association and Hospice is requesting town funds in the sum of \$3,539 to assist in providing much needed home care and hospice services to all those in need. Attached is our summary of services provided this past year.

Many of our patients are elders or disabled individuals who might otherwise not be able to manage their illnesses at home. We also serve mothers experiencing high risk pregnancy and infants and children with special needs. Most of our patients have either Medicare or Medicaid that often does not cover the cost of providing their needed care.

We also offer many services at no charge, such as: Bereavement support groups for adults and children, flu clinics, Tree of Hope Memorial service, community education on end of life issues for groups or schools, etc.

We believe in providing the medically necessary healthcare wherever it is needed, location of residence, or complexity of health issues. Town funds and charitable contributions help us to make this possible.

We are very grateful to the Town of Clarendon for many years of support to help the VNA & Hospice of the Southwest Region meet our mission to serve our community. Please do not hesitate to contact 802-442-0528 if you have any questions.

Sincerely,

YEAR 2018 ACTIVITY IN CLARENDON

The Housing Trust of Rutland County is a local non-profit organization that works with communities and families to energize neighborhoods, providing housing you can trust. We build quality rental housing that is affordable, and provide exceptional service that is responsive to residents and neighborhoods.

Over the past 25 years, we have provided over 1,500 people – seniors, families and people with disabilities - with a safe, attractive and affordable place to rent and call home. We have developed and maintain over 300 rental housing units in now eight of our local communities. Each year over 500 people directly benefit from our affordable housing.

Furthermore, the surrounding community benefits from improved neighborhoods, increased tax assessments, payment of property taxes, and work opportunities. We work with local business owners to manage our properties, and most of our renters work for or have retired from local companies and retail outlets.

One of our goals is to expand our presence within the county. Housing Trust of Rutland County could also assist Clarendon with housing related discussions and planning efforts that implement community ideas. We invite ideas from you!

We ask that on Town Meeting Day you vote in favor of the following question:

"Does the Town of Clarendon vote to raise \$300.00 for the Housing Trust of Rutland County to assist Clarendon and its residents with their affordable housing needs?"

Please vote to fund us. We thank the community at large for its ongoing support.

Sincerely yours,

Elisabeth Kulas

VERMONT ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED
HELPING ACHIEVE INDEPENDENCE IN A VISUAL WORLD SINCE 1926

December 19, 2018

Town of Clarendon
Selectboard
P.O. Box 30
North Clarendon, VT 05759-0030

Dear Selectboard,

For many years, the town of Clarendon has supported our mission to help Vermonters with visual impairments to be more independent, cultivate adaptive skills and improve their quality of life. With your support, the Vermont Association for the Blind and Visually Impaired [VABVI] have completed another successful year. Thank you for your on-going support!

The number of clients we serve increases every year and it costs approximately \$1,000 to provide one year of service to each individual adult client. During Fiscal Year 2018, we served 1,770 clients from all 14 counties in Vermont. This included 1 adult client and 1 student in Clarendon, and 130 adult clients and 20 students in Rutland County. An estimated 13,000 Vermonters are currently blind or visually impaired. As the "Baby Boomer" generation ages this number is expected to increase to at least 25,000 by 2030. People are living longer so we anticipate that the increase in demand for our services will continue well into the future. As a result, our neighbors, family and friends are among those who may be coping with vision loss.

Last year our local towns and cities provided us with over \$30,000 in support. These funds went directly to services for clients. We hope that you will consider supporting VABVI again this year with an allocation of \$100 to help fund our services in your township. If you have any questions or would like any more information, please feel free to contact me by phone at (800) 639-5861 extension 219 or by e-mail at kshappy@vabvi.org.

Thank you for your consideration.

Sincerely,

Development Officer

RSVP & The Volunteer Center

Community Care Network
Rutland Community Programs
thriving community, empowered lives.

2019 REQUEST FOR TOWN FUNDING & Yearly Report for FY18
TOWN OF: CLARENDON AMOUNT REQUESTED: \$385.00

RSVP and The Volunteer Center is an "Invitation to Serve" program for people of all ages who want to meet community needs through meaningful use of their skills, talents, interests and knowledge in volunteer service. Needs are met in critical areas such as human services, elder care, health care, education, literacy, and the arts, just to name a few. RSVP/VC involves individuals in service that matches their personal interests and makes use of their varied life and professional experiences. Through such efforts, RSVP/VC is meeting the needs that strained local budgets cannot afford. RSVP/VC enables people to contribute to their communities while enjoying the personally satisfying and rewarding experience that community engagement offers. Additionally, over the past 18 years RSVP has implemented several "Signature Programs" aimed at addressing pressing community needs. These programs include *RSVP TeleCare*, a telephone reassurance and safety check in program offered **FREE** to Rutland County seniors, a children's literacy and mentoring program called *RSVP Rutland County Reads*, and after school program called *RSVP After School Buddies*, an osteoporosis prevention program, *RSVP Bone Builders*, which provides **FREE** strength and balance exercise classes with RSVP/VC volunteer instructors to Rutland County residents, and *RSVP Operation Dolls & More*, in which RSVP/VC volunteers restore and refurbish donated dolls, toys books and games. Last year over 10,000 items were distributed to 2,000 children and over 50 organizations to share with clients.

Locally, **RSVP/VC is the largest program of coordinated volunteer services** serving the people of Rutland County with **796 volunteers**. From July 1, 2017 to June 30, 2018, RSVP/VC volunteers provided **177,712 hours of community service**. The cost benefit to the communities of Rutland County in terms of cost of services provided equals **\$4,451,686**.

Once again this year RSVP/VC is not asking for additional monies from the Town of Clarendon. The monies we request are used to help defray the costs of providing services that impact the lives of citizens of all ages throughout Rutland County.

Currently, Clarendon volunteers donates their **services to the following non-profit organizations**: The American Red Cross, Rutland Regional Medical Center, Godnick Adult Center, Loretto Home, Northwest and Northeast Elementary Schools, Rutland Recreation and Parks Department, Clarendon Grange, One-2-One, Vermont Association for the Blind, Dismas House, Salvation Army, AARP Tax Counseling for the Elderly *Rutland County Reads*, *RSVP Bone Builders*, and *RSVP Operation Doll*.

The **volunteer services they provide include**: knitting and sewing clothes for children and elders, arts and crafts instruction, preparing mailings, library aide, tutoring and mentoring students, friendly visitations to elders, tax counseling, exercise leaders for the *RSVP Bone Builders* program, restoring dolls for the *RSVP Operation Doll* program, and computer instruction. In addition, **Bone Builders classes are offered in Clarendon FREE of charge** to area residents.

On behalf of RSVP & The Volunteer Center, I would like to thank the residents of Clarendon for their support in the continuation of the RSVP/VC program. As financial constraints effect more and more non-profit organizations, the need for volunteers increases. With your help, RSVP/VC will continue to respond to this need.

Sincerely,

Nan M. Hart, Director

Dear Honorable Board of Selectmen:

The Regional Ambulance Service, Inc. is pleased to present to you our request for assessment for the 2019/2020 fiscal year. Included for your inspection is our projected budget and Annual Report for the year ending June 30, 2018.

REGIONAL AMBULANCE SERVICE, INC. IS PLEASED TO BE ABLE TO REQUEST THE SAME ASSESSMENT RATE OF \$4 PER CAPITA BASED ON THE 2010 CENSUS. THIS WILL BE THE 34th CONSECUTIVE YEAR WE HAVE NOT INCREASED OUR PER CAPITA ASSESSMENT. SINCE 1990 REGIONAL AMBULANCE HAS DECREASED THE ASSESSMENT RATE BY 36%.

We have and will continue to consider the financial position of the communities we serve. We are dedicated to providing the highest quality emergency ambulance care to reduce premature death and disability at the lowest possible cost. **The Assessment request is one of the lowest in the state. With the ongoing changes in health care we will continue to do our best to maintain or lower the Assessment rate in the future. This may be difficult with the dramatic changes in health care.**

Our Chief Executive Administrator, James Finger, along with your Representative on the R.A.S. Board, would be available to meet with your respective Boards or committees to further explain or answer any questions regarding Regional Ambulance Service, Inc. Please contact the Chief Executive Administrator at 773-1746 to answer any questions or schedule meetings. Visitors are always welcome to tour our facilities.

We are proud of our service and hope to continue serving your community. The Board of Directors of Regional Ambulance Service, Inc. respectfully requests the assessment of \$4 per capita, based on the 2010 census, for the 2019 - 2020 fiscal year. **The assessment requested is \$10,284 for the Fiscal year beginning July 2019.**

Report to the Citizens of Clarendon

This report describes the services that the Southwestern Vermont Council on Aging (SVCOA) provided to elders in Clarendon in 2018:

Senior Meals:

The Council helped provide 3,107 meals that were delivered to the homes of 22 elders in your community. This service is often called "Meals on Wheels". In addition, 26 Clarendon elders came together at a luncheon site in your area to enjoy a nutritious meal and the company of others; 805 meals were provided.

Case Management Assistance:

SVCOA case management staff helped 21 elders in your community. Case managers meet with an elder privately in the elder's home or at another agreed upon location and assess the elder's situation. They will work with the elder to identify needs and talk about possible services available to address those needs. If the elder desires, the case manager will link the client to appropriate services, coordinate and monitor services as necessary, and provide information and assistance to caregivers. Case managers also help elders connect with in-home assistance programs, including a program called Choices for Care. This program is especially helpful to frail elders facing long term care placement who still wish to remain at home.

Other Services and Support:

1) "Senior HelpLine" assistance at 1-800-642-5119. Our Senior HelpLine staff provide telephone support to elders and others who need information on available programs and community resources; 2) Medicare and health benefit counseling information and assistance through our State Health Insurance Program; 3) Legal service assistance through the Vermont Senior Citizens Law Project; 4) Information about elder issues and opportunities via various agency articles and publications; 5) Nutrition education and counseling services provided by SVCOA's Registered Dietician; 6) Senior Companion support for frail, homebound elders; 7) Outreach services to elders dealing with mental health issues through our Elder Care Clinician. This service is provided in cooperation with Rutland County Mental Health; 8) Transportation assistance; 9) Caregiver support, information and respite to family members and others who are providing much needed help to elders in need of assistance; 10) Money Management programs that offer either a volunteer bill payer or representative payee services to elders and younger disabled individuals.

Dear Citizens of Clarendon,

The Child First Advocacy Center (CFAC) serves as a central agency through which reports of suspected child abuse can be channeled for investigation and victim recovery. CFAC was established in 1995 and became a fully Accredited Member of the *National Children's Alliance (NCA)* in 2004. We share with NCA the passion to minimize the traumatic effect of child abuse upon the children and families of our community. CFAC is a non-profit organization serving Rutland County to assist family's in the discovery, intervention, treatment and prevention of child sexual abuse, severe physical abuse and children affected by violence. We provide a safe comfortable environment for the forensic quality and child appropriate interviews, training for professionals and collateral referral services for victims and their non-offending family members. Our agency serves families of all socio-economic levels and is committed to providing quality services regardless of the ability to pay.

On behalf of the Board of Directors and the Child First Advocacy Center Multidisciplinary Team, we want to thank you for your continued support and dedication.

In calendar year 2018, The Child First Advocacy Center served 195 clients and 174 family members in Rutland County. **We were able provide wrap around services and support to at least six Clarendon families as they began their recovery from the effects of trauma.** In addition, we continue to provide community awareness and education at no cost, in an effort to provide adults with the ability to recognize, react and respond appropriately to child sexual abuse and increase each school districts ability to complete the legislatively mandated ACT 1 initiative also known as Child Sexual Abuse Awareness training for Educators, Community Members and Student's grades K-12.

The Child First Advocacy Center is requesting funds in the amount of \$800 to continue our efforts in supporting families in your community. Please feel free to contact me if you have any questions or need further information.
